

THE WILKINSBURG-PENN JOINT WATER AUTHORITY

CONSTRUCTION METER APPLICATION

Date _____ Authority Representative _____

Name and Address: _____

Phone Number: _____ Deposit Received \$ _____

Construction Meter Location: _____

For the rate charged for water service furnished through an existing Authority service tap and measured by a meter furnished by the Authority, see Appendix B in the Authority's Rules Booklet. A \$60.00 deposit is required. There is a turn on charge of \$20.00 and a turn off charge of \$20.00. If the meter is lost or stolen then actual cost of the meter will be charged.

- The applicant must furnish a temporary enclosed area for the protection of the Authority's meter.
- An inlet valve, outlet valve and an approved backflow preventor are required and must be in place before a meter can be set and the water turned on.
- The meter must be accessible at all times to Authority representatives.
- The applicant assumes full responsibility for all damage to person, equipment and property.
- This application is for the above location only and is non-transferable.
- WPJWA reserves the right to terminate this service for non-compliance of this policy, without notice and refund.

Although the service may be rendered during a weekend, application can only be made in person at the Authority office during business hours Monday through Friday, 8:00am to 4:30pm. The Authority reserves the right to recover any unforeseen costs that may occur with construction meters.

***** I have read and agree to the above terms and conditions *****
